TERMS AND CONDITIONS OF SUBSCRIPTION FOR UNITS

1. Subscription

1.1 On the basis of the representations and warranties, and subject to the terms and conditions, set forth in this Agreement, the Subscriber hereby irrevocably subscribes for and agrees to purchase such number of Units as is set forth on page 2 of this Agreement at a price of \$2.50 per Unit for the Subscription Amount shown on page 2 of this Agreement, which is tendered herewith (such subscription and agreement to purchase being the "**Subscription**"), and the Issuer agrees to sell the Units to the Subscriber, effective upon the Issuer's acceptance of this Agreement.

1.2 Each Unit will consist of one Share and one Warrant. The Warrants will not be transferable. Each Warrant will entitle the holder thereof to purchase one Warrant Share, as presently constituted, for a period of two (2) years commencing from the Closing Date at an exercise price of \$2.90 per Warrant Share. The Units, the Shares, the Warrants and the Warrant Shares are referred to herein as the "**Securities**".

1.3 The Subscriber acknowledges that the Units have been offered to the Subscriber as part of an offering by the Issuer of additional Units to other subscribers (the "**Offering**").

1.4 All dollar amounts referred to in this Agreement are in lawful money of Canada, unless otherwise indicated.

2. Payment

2.1 The Subscription Amount must accompany this Subscription and will be paid: (i) if the Subscriber is drawing funds from a Canadian bank to pay for this Subscription, by a certified cheque or bank draft drawn on a Canadian chartered bank or by wire transfer to the Issuer pursuant to wiring instructions to be provided by the Issuer upon request from the Subscriber; or (ii) if the Subscriber is drawing funds from any source other than a Canadian chartered bank to pay for this Subscription, then only by wire transfer to the Issuer pursuant to wiring instructions to be provided by the Issuer upon request from the Subscriber. If the Subscription Amount is wired or sent to Clark Wilson LLP, the Issuer's lawyers (the "**Issuer's Counsel**"), the Subscriber irrevocably authorizes the Issuer's Counsel to immediately deliver the Subscription Amount to the Issuer upon receipt of the Subscription Amount from the Subscriber, notwithstanding that such delivery may be made by the Issuer's Counsel to the Issuer prior to the closing of the Offering (the "**Closing**"). The Subscriber authorizes the Issuer to treat the Subscription Amount as an interest free loan until the Closing.

2.2 The Subscriber acknowledges and agrees that this Agreement, the Subscription Amount and any other documents delivered in connection herewith will be held by or on behalf of the Issuer. In the event that this Agreement is not accepted by the Issuer for whatever reason, which the Issuer expressly reserves the right to do, the Issuer will return the Subscription Amount (without interest thereon) to the Subscriber at the address of the Subscriber as set forth on page 2 of this Agreement, or as otherwise directed by the Subscriber.

 - (l) the Issuer is entitled to rely on the representations and warranties of the Subscriber contained in this Agreement and the Questionnaires, as applicable, and the Subscriber will hold harmless the Issuer from any loss or damage it or they may suffer as a result of the Subscriber's failure to correctly complete this Agreement or the Questionnaires, as applicable;
 - (m) any resale of the Securities by the Subscriber will be subject to resale restrictions contained in the securities laws applicable to the Issuer, the Subscriber and any proposed transferee and it is the responsibility of the Subscriber to find out what those restrictions are and to comply with such restrictions before selling any of the Securities;

 - A. any obligation to prepare and file a prospectus or similar document, or any other report with respect to such purchase in the International Jurisdiction, or
 - B. any continuous disclosure reporting obligation of the Issuer in the International Jurisdiction, and
 - (v) the Subscriber will, if requested by the Issuer, deliver to the Issuer a certificate or opinion of local counsel from the International Jurisdiction which will confirm the matters referred to in subparagraphs (ii), (iii) and (iv) above to the satisfaction of the Issuer, acting reasonably;

7. Representations and Warranties will be Relied Upon by the Issuer

7.1 The Subscriber acknowledges and agrees that the representations and warranties contained in this Agreement are made by it with the intention that such representations and warranties may be relied upon by the Issuer and the Issuer's Counsel in determining the Subscriber's eligibility to purchase the Securities under applicable laws, or, if applicable, the eligibility of others on whose behalf the Subscriber is contracting hereunder to purchase the Securities under applicable laws. The Subscriber further agrees that, by accepting delivery of the certificates representing the Shares and the Warrants, it will be representing and warranting that the representations and warranties contained herein are true and correct as at the Closing Date with the same force and effect as if they had been made by the Subscriber on the Closing Date and that they will survive the purchase by the Subscriber of the Securities and will continue in full force and effect notwithstanding any subsequent disposition by the Subscriber of such Securities.

8. Acknowledgement and Waiver

8.1 The Subscriber has acknowledged that the decision to acquire the Securities was solely made on the basis of the Public Record. The Subscriber hereby waives, to the fullest extent permitted by law, any rights of withdrawal, rescission or compensation for damages to which the Subscriber might be entitled in connection with the distribution of any of the Securities.

9. Legending and Registration of Subject Securities

9.1 The Subscriber hereby acknowledges that a legend or legends may be placed on the certificates representing the Securities to the effect that the Securities represented by such certificates are subject to a hold period and may not be traded until the expiry of such hold period except as permitted by applicable securities laws, and the Subscriber consent to the placement of such legend(s) on any certificate representing the Securities.

9.2 The Subscriber hereby acknowledges and agrees to the Issuer making a notation on its records or giving instructions to the registrar and transfer agent of the Issuer in order to implement the restrictions on transfer set forth and described in this Agreement.

10. Registration Rights

10.1 The Issuer will prepare and file a registration statement with respect to the Shares and the Warrant Shares (the "**Registration Statement**") with the SEC on or before November 30, 2018 following the Closing and will use commercially reasonable efforts to have the Registration Statement declared effective by the SEC as soon as possible after filing. The Registration Statement shall state, to the extent permitted by Rule 416 under the 1933 Act, that it also covers such indeterminate number of additional Shares in order to prevent dilution resulting from stock splits, stock dividends or similar events. Notwithstanding any other provision in this Section 8, if the Issuer receives a comment from the staff of the SEC that effectively results in the Issuer having to reduce the number of Shares included in such Registration Statement, then the Issuer, after having first used commercially reasonable efforts to persuade the staff of the SEC to withdraw such comment, may in its sole discretion reduce on a pro rata basis (among all subscribers in the Offering) the number of Shares to be included in the Registration Statement.

10.2 In connection with the preparation and filing of the Registration Statement, the Subscriber will furnish to the Issuer, in writing, such information and representations with respect to itself and the proposed distribution by it as are reasonably necessary in order to assure compliance with applicable federal and state securities laws. The Issuer will require the Subscriber to furnish to the Issuer, among other things as may be determined by the Issuer in its sole discretion, a certified statement as to the number of securities of the Issuer beneficially owned by the Subscriber and the name of the natural person that has voting and dispositive control over the Shares and the Warrant Shares. The Subscriber will be responsible for payment of any legal fees it incurs in connection with the Registration Statement.

10.3 The Subscriber shall indemnify and hold harmless the Issuer, its directors, officers, agents and employees, each person who controls the Issuer (within the meaning of Section 15 of the 1933 Act and Section 20 of the Securities Exchange Act of 1934), and the directors, officers, agents or employees of such controlling persons, to the fullest extent permitted by applicable law, from and against all losses, as incurred, to the extent arising out of or based solely upon: (a) the Subscriber's failure to comply with the prospectus delivery requirements of the 1933 Act; (b) any untrue or alleged untrue statement of a material fact contained in the Registration Statement, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading to the extent that: (i) such untrue statement or omission is contained in any information so furnished in writing by the Subscriber to the Issuer specifically for inclusion in the Registration Statement, (ii) such untrue statements or omissions are based solely upon information regarding the Subscriber furnished in writing to the Issuer by the Subscriber expressly for use therein, or (iii) such information relates to the Subscriber or the Subscriber's proposed method of distribution of the Shares and the Warrant Shares and was reviewed and expressly approved in writing by the Subscriber expressly for use in the Registration Statement or in any amendment or supplement thereto; or (c) the use by the Subscriber of an outdated or defective Registration Statement after the Issuer has notified the Subscriber in writing that the Registration Statement is outdated or defective.

10.4 If a claim for indemnification hereunder is unavailable to the Issuer (by reason of public policy or otherwise), then the Subscriber, in lieu of indemnifying the Issuer, shall contribute to the amount paid or payable by the Issuer as a result of such losses, in such proportion as is appropriate to reflect the relative fault of the Subscriber and the Issuer in connection with the actions, statements or omissions that resulted in such losses, as well as any other relevant equitable considerations. The relative fault of the Subscriber and the Issuer shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, the Subscriber or the Issuer, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any losses shall be deemed to include, subject to the limitations set forth in this Agreement, any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this section was available to such party in accordance with its terms.

11. Collection of Personal Information

11.1 The Subscriber acknowledges and consents to the fact that the Issuer is collecting the Subscriber's personal information for the purpose of fulfilling this Agreement and completing the Offering. The Subscriber acknowledges that its personal information (and, if applicable, the personal information of those on whose behalf the Subscriber is contracting hereunder) may be included in record books in connection with the Offering and may be disclosed by the Issuer to: (a) stock exchanges or securities regulatory authorities, (b) the Issuer's registrar and transfer agent, (c) Canadian tax authorities, (d) authorities pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and (e) any of the other parties involved in the Offering, including the Issuer's Counsel. Guidance On Accredited Investor Exemptions for Individuals

An individual accredited investor is an individual:

- (a) who, either alone or with a spouse, beneficially owns financial assets (please see the guidance below regarding what financial assets are) having an aggregate realizable value that, before taxes but net of any related liabilities (please see the guidance below regarding what related liabilities are), exceeds \$1,000,000;
 - (b) whose net income before taxes exceeded \$200,000 in each of the 2 most recent calendar years or whose net income before taxes combined with that of a spouse exceeded \$300,000 in each of the 2 most recent calendar years and who, in either case, reasonably expects to exceed that net income level in the current calendar year;
-

- (c) who, either alone or with a spouse, has net assets (please see the guidance below regarding calculating net assets) of at least \$5,000,000; and
- (d) who beneficially owns financial assets (please see the guidance below regarding what financial assets are) having an aggregate realizable value that, before taxes but net of any related liabilities (please see the guidance below regarding what related liabilities are), exceeds \$5,000,000.

The monetary thresholds above are intended to create bright-line standards. Subscribers who do not satisfy these monetary thresholds **do not** qualify as accredited investors.

Spouses

Sections (a), (b) and (c) above are designed to treat spouses as a single investing unit, so that either spouse qualifies as an accredited investor if the combined financial assets of both spouses exceed \$1,000,000, the combined net income of both spouses exceeds \$300,000, or the combined net assets of both spouses exceed \$5,000,000. Section (d) above does not treat spouses as a single investing unit.

If the combined net income of both spouses does not exceed \$300,000, but the net income of one of the spouses exceeds \$200,000, only the spouse whose net income exceeds \$200,000 qualifies as an accredited investor.

Financial Assets and Related Liabilities

For the purposes of Sections (a) and (d) above, “**financial assets**” means: (1) cash, (2) securities, or (3) a contract of insurance, a deposit or an evidence of a deposit that is not a security for the purposes of securities legislation. These financial assets are generally liquid or relatively easy to liquidate. The value of a subscriber’s personal residence is not included in a calculation of financial assets.

The calculation of financial assets must exclude “**related liabilities**”, meaning: (1) liabilities incurred or assumed for the purpose of financing the acquisition or ownership of financial assets, or (2) liabilities that are secured by financial assets.

As a general matter, it should not be difficult to determine whether financial assets are beneficially owned by an individual, an individual’s spouse, or both, in any particular instance. However, in the case where financial assets are held in a trust or in another type of investment vehicle for the benefit of an individual, there may be questions as to whether the individual beneficially owns the financial assets. The following factors are indicative of beneficial ownership of financial assets:

- physical or constructive possession of evidence of ownership of the financial asset;
- entitlement to receipt of any income generated by the financial asset;
- risk of loss of the value of the financial asset; and
- the ability to dispose of the financial asset or otherwise deal with it as the individual sees fit.

For example, securities held in a self-directed RRSP for the sole benefit of an individual are beneficially owned by that individual.

In general, financial assets in a spousal RRSP can be included for the purposes of the \$1,000,000 financial asset test in Section (a) above because Section (a) takes into account financial assets owned beneficially by a spouse. However, financial assets in a spousal RRSP cannot be included for purposes of the \$5,000,000 financial asset test in Section (d) above.

Financial assets held in a group RRSP under which the individual does not have the ability to acquire the financial assets and deal with them directly do not meet the beneficial ownership requirements in either Sections (a) or (d) above.

Net Assets

For the purposes of Section (c) above, “**net assets**” means all of a subscriber’s total assets minus all of the subscriber’s total liabilities. Accordingly, for the purposes of the net asset test, the calculation of total assets includes the value of a subscriber’s personal residence, and the calculation of total liabilities includes the amount of any liability (such as a mortgage) in respect of the subscriber’s personal residence.

To calculate a subscriber’s net assets under the net asset test, subtract the subscriber’s total liabilities from the subscriber’s total assets. The value attributed to assets should reasonably reflect their estimated fair value. Income tax is considered a liability if the obligation to pay it is outstanding at the time of the distribution of the security to the subscriber by the Company.

Guidance On Accredited Investor Exemptions for Corporations, Trusts and Other Entities

Accredited investors that are corporations, trusts or other entities include:

- (a) a corporation, trust or other entity, other than an investment fund, that has net assets (please see the guidance below regarding calculating net assets) of at least \$5,000,000 as shown on its most recently prepared financial statements in accordance with applicable generally accepted accounting principles and that has not been created or used solely to purchase or hold securities as an accredited investor;
- (b) a corporation, trust or other entity in respect of which all of the owners of interests, direct, indirect or beneficial, except the voting securities required by law to be owned by directors, are persons that are accredited investors; and
- (c) a trust established by an accredited investor for the benefit of the accredited investor’s family members of which a majority of the trustees are accredited investors and all of the beneficiaries are the accredited investor’s spouse, a former spouse of the accredited investor or a parent, grandparent, brother, sister, child or grandchild of that accredited investor, of that accredited investor’s spouse or of that accredited investor’s former spouse.

Net Assets

For the purposes of Section (a) above, “**net assets**” means all of the subscriber’s total assets minus all of the subscriber’s total liabilities. The minimum net asset threshold of \$5,000,000 specified in Section (a) above must be shown on the entity’s most recently prepared financial statements. The financial statements must be prepared in accordance with applicable generally accepted accounting principles.

Guidance on Close Personal Friend and Close Business Associate Determination

A “**close personal friend**” of a director, executive officer, founder or control person of an issuer is an individual who knows the director, executive officer, founder or control person well enough and has known them for a sufficient period of time to be in a position to assess their capabilities and trustworthiness and to obtain information from them with respect to the investment.

The following factors are relevant to this determination:

- (a) the length of time the individual has known the director, executive officer, founder or control person,
- (b) the nature of the relationship between the individual and the director, executive officer, founder or control person including such matters as the frequency of contacts between them and the level of trust and reliance in the other circumstances, and
- (c) the number of “close personal friends” of the director, executive officer, founder or control person to whom securities have been distributed in reliance on the private issuer exemption or the family, friends and business associates exemption.

An individual is not a close personal friend solely because the individual is:

- (a) a relative,
- (b) a member of the same club, organization, association or religious group,
- (c) a co-worker, colleague or associate at the same workplace,
- (d) a client, customer, former client or former customer,
- (e) a mere acquaintance, or
- (f) connected through some form of social media, such as Facebook, Twitter or LinkedIn.

The relationship between the individual and the director, executive officer, founder or control person must be direct. For example, the exemption is not available to a close personal friend of a close personal friend of a director of the issuer. Further, a relationship that is primarily founded on participation in an internet forum is not considered to be that of a close personal friend.

A “**close business associate**” is an individual who has had sufficient prior business dealings with a director, executive officer, founder or control person of the issuer to be in a position to assess their capabilities and trustworthiness and to obtain information from them with respect to the investment.

The following factors are relevant to this determination:

- (a) the length of time the individual has known the director, executive officer, founder or control person,
 - (b) the nature of any specific business relationships between the individual and the director, executive officer, founder or control person, including, for each relationship, when it began, the frequency of contact between them and when it terminated if it is not ongoing, and the level of trust and reliance in the other circumstances,
 - (c) the nature and number of any business dealings between the individual and the director, executive officer, founder or control person, the length of the period during which they occurred, and the nature and date of the most recent business dealing, and
 - (d) the number of “close business associates” of the director, executive officer, founder or control person to whom securities have been distributed in reliance on the private issuer exemption or the family, friends and business associates exemption.
-

An individual is not a close business associate solely because the individual is:

- (a) a member of the same club, organization, association or religious group,
- (b) a co-worker, colleague or associate at the same workplace,
- (c) a client, customer, former client or former customer,
- (d) a mere acquaintance, or
- (e) connected through some form of social media, such as Facebook, Twitter or LinkedIn.

The relationship between the individual and the director, executive officer, founder or control person must be direct. For example, the exemptions are not available for a close business associate of a close business associate of a director of the issuer. Further, a relationship that is primarily founded on participation in an internet forum is not considered to be that of a close business associate.

The Subscriber agrees that the above representations and warranties will be true and correct both as of the execution of this Questionnaire and as of the Closing and acknowledges that they will survive the completion of the issue of the Units.

The undersigned hereby acknowledges and is advised of the SEC's Compliance and Disclosure Interpretation 239.10 regarding short selling:

"An Issuer filed a Form S-3 registration statement for a secondary offering of common stock which is not yet effective. One of the selling shareholders wanted to do a short sale of common stock "against the box" and cover the short sale with registered shares after the effective date. The issuer was advised that the short sale could not be made before the registration statement become effective, because the shares underlying the short sale are deemed to be sold at the time such sale is made. There would, therefore, be a violation of Section 5 if the shares were effectively sold prior to the effective date."

By returning this Questionnaire, the undersigned will be deemed to be aware of the foregoing interpretation.

If the Company is required to file a new or additional registration statement to register Registrable Securities beneficially owned by the selling securityholder, the undersigned hereby agrees to complete and return to the Company, upon the request of the Company, a new Questionnaire (in a form substantially similar to this Questionnaire).
